Business Financial Interests

S. Stibbards & Sons Ltd does not have any business or material financial interest in price comparison websites that compare funeral director service and/or crematoria services and their respective prices.

S. Stibbards & Sons prohibits the payment to and does not incentivise hospitals, palliative care services, hospices, care homes or similar institutions for the solicitation of funerals.

Donations & Sponsorship

S. Stibbards & Sons have a proud history of supporting many local charities and good causes and value our relationship with our local churches, community groups and charities.

As a company we sponsor a number of local sports teams, including Bowls Clubs and youth football. Additionally we make a yearly pledge to supply Christmas Trees to many of our local nursing homes, churches and schools to add a little festive cheer during the Christmas period.

In order to be transparent and comply with current regulations we feel it important to publish any relationship that we have with those organisations locally who may be able to influence the decision making in relation to funeral arrangements. The donations that we list below are for any payment made above £250 and within the last 12 months.

Havens Hospices

Light up a Life Sponsorship £500.00

S. Stibbards & Sons have been supporting Havens 'Light up a Life' campaign for many years and believe that the services provided give local families an opportunity to share their sense of loss at a service of thanksgiving provided by the Hospice.
